STATE NEWS.

Vermont's Automobile Show.

There is every indication that Ver-
mont's Automobile show to be held at
the Armory, Burlington, April 29 to
May 4, will be much more interesting
than the first one held last year.

Bishop May Resign Principality.

It is reported that Dr. E. A. Bishop,
principal of Montpelier Seminary,
is to resign to take effect at the
close of the school year and that he
is to return to the ministry. Doctor
Bishop has been at the head of the
seminary nearly 10 years and during
the time has secured the Pearsons
\$100,000 fund and paid off \$50,000 in-
debtedness on the school.

State's Revenue from Bank Deposits.

During the past biennial period
Vermont has received \$1,013,129.17
from the tax of seven tenths of one
per cent on savings banks' deposits.
During the last six months of the
period the amount paid has been \$299-
540.05 the largest sum ever received
from this source. This amount is
equal to a state tax of 25 cents on the
grand list, and is one of the most im-
portant sources of revenue the state
has.

Home Raised Grass Seed.

On account of the high price of
grass seed, many of the farmers in
Brandon and vicinity harvested their
own timothy seed last fall and are
beginning to put it on the market for
sale at a lower price than western
seed. An average sample of this seed
was sent to the New Hampshire agri-
cultural experiment station to be
tested and following is the report
received: Germination, 92.5; principal
impurities, with grass seeds,
22.7 a pound; five fingers 26,559 a
pound; black eyed Susan, 908 a
pound. The latter containing the
report stated that even a few bushels
of this seed contained enough with
grass seed to germinate the entire
acreage of the town of Brandon for
50 years to say nothing of the other
obnoxious weed seeds.

Notice Relative to Feed Stables.

Your attention is respectfully called
to Sec. 14 of Act No. 161, Laws of
1910, quoted below:

Sec. 14: "Whoever sells or offers
for sale a less quantity than repre-
sented or sells in a manner contrary
to law shall be guilty of fraud and
shall be fined not more than one
hundred dollars, or in case of a second
offense not more than two hundred
dollars." It is a source of complaint
by patrons of many feed stables that
when a certain amount of feed is or-
dered to be given to the horse, etc.,
the person filling the order uses an
old pan, etc., instead of a legal
measure, wherefore, the proprietor
of the feed stable is unjustly or just-
ly accused of cheating both the horse
and the man.

I therefore for your own interests
call this matter to your attention and
would respectfully suggest that you
provide yourself with accurate apparat-
us and be careful to measure or
weigh out and deliver the amount or-
dered so that you may not unwitting-
ly violate the law or lay yourself open
to criticism which results in injury to
your own business.

This department will gladly test
your measures, upon request. A copy
of the Specs. & Regs. is herein en-
closed.

ures,

All for Benefit of Vermont.

Twenty-five different organizations,
boards of trade, commercial clubs,
granges, village improvement, and
other societies were represented at the
meeting in Montpelier Saturday to
perfect the organization of the Great-
er Vermont association, the object of
which is to bring all such societies in
the state under the leadership of a
state central body to work for the
common good of the entire state.
Two special features discussed at the
meeting was a Vermont week in May
or June in which special opportunity
should be given for the inspection of
the state by its citizens, and a great
state celebration in 1916, on the
occasion of the anniversary of Ver-
mont's admission to the union, the
first and most unique to be added to
the original 13. Four years of ag-
gressive progress from 1912 to 1916
the object urged to make such a ce-
lebration appropriate and successful.
The meeting, which was full of en-
thusiasm, was called to order and
presided over by James S. Taylor of
Saxtons River, the "father" of the
association, Mayor James B. Estey
delivering the address of welcome.

At the business meeting the consti-
tution prepared by a special com-
mittee was adopted and the minimum
admission fee fixed at \$1. A nominat-
ing committee was appointed to pre-
pare a list of officers for ratification
at the next meeting, which will be
held in midsummer in Rutland. The
object for which the association stands
is the development of the state's na-
tural resources, to foster her agricul-
ture, industrial and commercial inter-
ests, and to promote the common wel-
fare of the people, the work to be
carried on by standing committees.
As the first move the hotel men and
railroads were urged to form an or-
ganization to boost the state and a
committee was appointed to confer
with them with the expectation of
holding a Vermont week, one of the
ideas suggested being an automobile
tour of the state. Secretary of State
G. W. Bailey wished to have the pub-
licity work of the state interwoven
with that of the organization. He
said when he left home there were
1899 letters from people from all
parts of the country, one from France

—three from the Isthmus of Panama
—who wished to be advised about
Vermont farms. Other speakers sup-
porting the movement in rousing
talks were Frank L. Greene of St. Al-
bans; Agricultural Commissioner O. L.
Martin; C. F. Smith, master of
state grange; Mason S. Stone, state
superintendent of schools; Mayor J.
B. Estey, G. L. Blanchard and W.
H. Crockett of Montpelier; J. A.
Sheverle and C. D. Hazen of Hart-
ford; H. C. Cady of Northfield; H. W.
Vail of Randolph; Principal C. S.
Spooner of Norwich university and
others.

DEAFNESS CANNOT BE CURED

by local application, as they cannot reach
the diseased portion of the ear. There is
only one way to cure deafness, and that is by
constitutional remedies. Deafness is caused
by an inflamed condition of the mucous lining
of the Eustachian Tube. When this tube is
inflamed you have a rumbling sound or im-
perfect hearing, and when it is entirely closed
deafness is the result, and unless the in-
flammation can be taken out and this tube re-
stored to its normal condition, hearing will
be destroyed for ever; nine cases out of ten
are cured by Catarrh, which is a chronic but
an inflamed condition of the mucous surface.
We will give One Hundred Dollars for any
case of Deafness (caused by catarrh) that can
not be cured by Hall's Catarrh Cure. Send
for circulars, free.

Devoe, Takes Least Gallons
Always

Paint Devoe: it's the cheapest paint in
the world; never mind the price; it may or
may not be more. Less gallons will paint
the house; and the paint will outwear any-
thing.

Skip waa; you've got to wait, to find
that out. I covers more; you haven't got
to wait to find that out.

It's the cheapest of all; no matter about
the price.

Mr. Frank A. Morse, West Rutland, Vt.,
says: "An old painter, who had painted
my house lead-and-oil a good many times,
said 12 to 15 gallons Devoe." I got 15; it
took 6 1/2 with 1 1/2 of oil.

M. W. Williams, Central Rutland,
Vt., bought 9; had 3 left.

That's aw.

Sold by E. W. Barron Company.

breaking her arm near the shoulder
and otherwise bruising her badly.

Relatives here received word of the
death of Edward Gonyea of cancer of
the stomach at his home in Bethel.
Mrs. Gonyea was Miss Ina Cate, a
former resident of this place. The
burial took place at Island Pond.

The sad news came Monday morn-
ing of the death from typhoid fever
of John Bly at Lynnhurst, Florida,
where he had been spending the win-
ter. He was the eldest son of Mr. and
Mrs. Edward Bly. He was well
known here and was loved and re-
spected by all, during the years he
lived here. He was always willing to
help in any work that would benefit
the town. He was a teacher in the
schools here and was a member of the
school board. The sympathy of the
community is with the family in their
sad loss.

Forrest E. Hodgdon, Portsmouth, N. H.,
now keeps Foley's Honey and Tar Com-
pound on hand all the time. He says, "My
baby had a cold almost all winter, but to-

"Stabbed in the Back"

How Many Barton Readers Have Felt
Those Sudden Twinges?

Have you ever had a "crick" in the
back?
Does your back ache with a dull
heavy draggy throb?
Is it hard to straighten up after
stooping?
Hard to arise from a chair or turn
in bed?

Is the urine dark colored? Passages
irregular?
When your kidneys need attention,
use a tested kidney remedy.

Use Doan's Kidney Pills—the rem-
edy that has cured thousands.
Convincing proof of merit in Barton
testimony.

A. V. Cloutier, Lake street, Barton,
Vt., says "I have tested Doan's Kid-
ney Pills and know that they act just
as represented. I was annoyed by
unbago and lameness in my back
and could hardly straighten after
stooping. The secretions from my
kidneys were irregular in passage
and there was sediment in them. The
contents of two boxes of Doan's Kid-
ney Pills brought me entire relief and
I have had no trouble since."

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,
New York, sole agents for the United
States.

Remember the name—Doan's—and
take no other.
